

### Student Welfare Committee:

**Purpose – This committee shall be highly responsible for readdressing the grievances of the students by encouraging creativity and sense of discipline for the overall development of the personality. It aims at ensuring proper welfare measures for the D.El.Ed and B.Ed trainees in order to create a healthy working atmosphere at the college campus. It identifies the innate qualities and talents of the student to harness for the betterment of the Society. It aims at promoting discipline and sense of belongingness in order to imbibe leadership qualities.**
